## MINIMIZE STAR (\*) PASSES.

With LANmark-6 performance, **star passes are significantly reduced**. Berk-Tek provides 2dB of margin on NEXT, PSNEXT, ACR and PSACR. Fewer star passes mean you only have to **terminate and test one time**, giving you peace of mind.

## NO SPLINE SAVES TIME.

We removed the center spline to **save you time** by making it **easier to terminate** so you can **finish the job faster**. No spline also means fewer steps and less jobsite debris.

## Earn 3% cash back on LANmark-6 Plenum purchased between June 1 and Dec. 31 2017

LANmark-6 has always been a great CAT-6 option when the budget is tight, but it just got better. **Any LANmark-6 Plenum purchases made between June 1 and December 31, 2017 will now earn 3% cash back.** And if you qualify for the year end rebate, you will earn an additional 4% at the end of the year. Talk to your local rep to find out if you qualify and how to claim your rebate.

## LANMARK-6 and SMARTPAK = \$1,012 EXTRA PROFIT.\*

With 1,500 feet of cable in each box, smartPAK **delivers more cable pulls per box**, and **savings on labor and scrap**. When combined with LANmark-6 those savings increase. Visit [www.smartpakcable.com](http://www.smartpakcable.com) to see your potential profit.
